SUBJECT: Security Committee Items of Interest (U)

1. (U) This is for your information on items of interest coming to or completed by the Security Committee staff during the week of 27-31 March 1978.

a. (U) Attachment 1 is a copy of [REDACTED] memorandum to [REDACTED] and of my memorandum in response. I am scheduled to brief [REDACTED] at 3:00 on 6 April.

b. (FOUO) Attachment 2 is a copy of my input to [REDACTED] Human Resources Committee, in response to his request for summary material on personnel, physical, and document security for inclusion in the counterintelligence baseline report being prepared by the SCC's Counterintelligence Working Group. The terms of reference for that report were specified by the DCI.

c. (FOUO) The proposed reply to Congressman Boland's letter to the DCI on compartmentation has been sent to the DCI by [REDACTED]. At OLC request we included a couple of sentences in the basic letter emphasizing the importance of the "need-to-know" principle. OLC is calling the HPSCI today (31 March) to tell them the reply will be a day or so later than their 1 April deadline.

d. (FOUO) A draft update of the Committee's 1974 study on hostile intelligence harassments and provocations against Americans has been sent to Committee members for comment/concurrence.
